

1) Visit the App Store to locate and download the BenXpress App:

2) Once the app is downloaded, click on the “Get Started” icon, then enter your User ID and Password:

Let's find your BenXpress account!

You can log in directly using your BenXpress User ID and Password, along with a couple of quick account verification questions.

Get started!

Have separate instructions for logging in via the BenXpress website?

[Log in with Authorization Code](#)

Please enter your BenXpress User ID and Password

User ID

0/100

Password

0/100

OK, Next

3) Once you have entered your login information, you will be asked to verify your Birth Date and Zip Code:

Please verify your Birth Date and ZIP Code

Format: MM/DD/YYYY

Birth Date

0/100

ZIP Code

0/6

OK, Next

- 4) Your account is now linked and you will need to indicate how you would like to secure your account for future logins:

Account Linked!

Now that your BenXpress account is linked, we need to secure your account on this device for the next time you want to log in.

How would you like to secure your account on this device?
